Are you interested in ***serving*** on the **Steering Group**? *

The Steering Group consists of countries, international organizations, and/or non-governmental members, and is led by a Chair, with the support of the Executive Secretariat.

Roles of Support Group members (permanent and rotating) members are described in the GHSA Framework Terms of Reference (under development). Overall, the Steering Group provides strategic guidance and direction, including identifying overall GHSA priorities, and provides leadership and coordination to support the implementation of priorities, tracking of progress and commitments, facilitates target-driven multisectoral coordination and communication among GHSA partners, monitors developments in the evolving global health security architecture, and identifies opportunities for GHSA to interact with other health security mechanisms.

- ☐ Yes, Interest as a Rotating Member for 2024 - 2026
- ☐ Yes, Interest as a Rotating Member for 2026-2028
- ☐ No, not interested

If you are interested in the GHSA Steering Group, please share additional information, including proposed contributions.

Are you interested in ***leading*** as **Steering Group Chair (1-year term)**?*

The Chair of the GHSA Steering Group will be a member country of GHSA. The Chair role is held for a single year and culminates with a leadership or Ministerial Meeting, if needed and appropriate, to highlight key achievements across GHSA, plans for the following year, and commitments from members as well as formally transition the Chair role.

The Chair leads the GHSA Steering Group during their tenure, setting the strategic direction, overseeing initiatives, and representing the organization externally. They facilitate collaboration among members, GHSA Steering Group but also the whole GHSA membership, drive progress toward the implementation of GHSA goals, and ensure effective communication within the group.

- ☐ Yes, Interest in 2026
- ☐ Yes, Interest in Other Year: ____
- ☐ No, not interested

If you are interested in the Chair role, please share additional information, including proposed contributions, priorities, and proposed theme for Chairship year.

Are you interested in ***supporting*** the **Executive Secretariat** ?*

The Executive Secretariat works closely with the Chair to support the Steering Group and the whole membership by providing support for administrative tasks and operational procedures as well as coordinating with Action Packages and Task Forces toward ensuring the overall effective functioning of GHSA.

GHSA members can voluntarily commit to provide support to the Executive Secretariat through the following committees:

Accountability and Results

- Track and report on annual progress towards the GHSA 2028 target using data from the IHR Monitoring and Evaluation Framework Tools and the Global Health Security Index
- Monitor and report on progress of member countries commitments and achievements on an annual basis.
- Perform other activities, as directed by the Chair and Steering Group

Advocacy and Communications

- Provides direct support and coordination for internal and external communications to the Secretariat
- Maintains the GHSA website and social media accounts
- Develop advocacy materials for diverse audiences
- Develop communications materials for GHSA stakeholders
- Maintains calendar for GHSA internal and external events
- Track opportunities for promotion of GHSA and its work
- Perform other activities, as directed by the Steering Group

Action Package Coordination

- Provide administrative support to Action Packages
- Facilitate internal coordination among GHSA Action Packages and with the Steering Group
- Promote webinars and/or technical events organized by Action Packages
- Perform other activities, as directed by the Steering Group

If you are interested in supporting the Executive Secretariat , please share additional information, including proposed contributions

Are you interested in *leading* an Action Package?*

Action Packages facilitate regional and global collaboration toward specific GHSA objectives and targets that align with the International Health Regulations (2005). Technical experts from countries around the world established Action Package working groups, with the purpose of focusing international discussion toward specific, coordinated actions in support of the GHSA; highlighting measurable approaches countries can adopt to accelerate, monitor and report GHSA progress; and providing a mechanism by which countries can make specific commitments and take leadership roles in the GHSA.
